

REMARKS

Claims 1-23 are pending in the application. In the most recent Office Action, the Examiner issued a restriction requirement, requiring the Applicants to elect between one of the following groups of claims:

Group 1 – Claims 1-16, drawn to a method and device for authenticating a communication terminal having no authentication information based on authentication information stored in an authentication terminal; and

Group 2 - Claims 17-23, drawn to a method and device for storing and converting correspondence information using an identifier.

In response to the restriction requirement, Applicants elect Group 1 without traverse. Accordingly, Claims 17-23 have been withdrawn.

CONCLUSION

No fees are believed due. However, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account 11-0855. If there are any issues that can be addressed via telephone, the Examiner is asked to contact the undersigned at 404.685.6799.

Respectfully submitted,

/Brenda O. Holmes/
